

Sparkling Window Cleaning

Health & Safety

It is crucial that all our work and procedures are carried out in a safe working environment at all times.

We ensure this by providing an ongoing Health and Safety awareness and on-site and off-site training of workers.

Prior to any works being carried out, we carry out a full and thorough site specific risk assessments.

We are also

- Fully ensured by Public Liability Insurance.
- We are a member of The Federation of Window Cleaners. Britain window cleaning academy

Equipment

We use traditional ladders, water -fed pole system and jet wash machines.

All our cloths, scrapers and squeegees are specially designed for window cleaning.
